

October 2007

This letter is to certify that none of the R&R Product contains any of the following 6 substances as described in the European Union Directive 2002/95/EC. The substances are:

**Lead, mercury, cadmium, hexavalent chromium,  
polybrominated, biphenyls, polybrominated diphenyl ethers.**

Although the ROHS directive is a European directive, R&R Inc., being a supplier of electronic cleaning supplies and hand lotions, has elected to fully comply with this directive.

A handwritten signature in black ink that reads 'Kyle S. Harder'. The signature is written in a cursive style with a horizontal line underneath it.

National Sales Manager  
Kyle Harder
